

Homework Grading Report

Student Name:	Autofix_Test_Student
Assignment:	Test Assignment
Graded On:	September 27, 2025 at 09:13 PM
Final Score:	34.5 / 37.5 points (92.0%)

Score Summary

Overall Performance: Excellent (92.0%)

Instructor Assessment

Excellent work with strong reflective thinking.

Reflection & Critical Thinking

- Great critical thinking demonstrated

Analytical Strengths

- Comprehensive completion of requirements

Business Application

- Good business context understanding

Learning Demonstration

- Shows deep engagement with learning

Areas for Development

- Continue exploring advanced methods

Recommendations for Future Work

- Keep up the excellent reflective practice

Technical Analysis

Code Strengths:

- Proper R library implementation

Code Improvement Suggestions:

- Consider using `complete.cases()`

Technical Observations:

- Solid programming concepts
